

# ICE SKATING RINK BY GLENBURN PARKS & REC DEPT

- LOCATION; 144 LAKEVIEW RD, GLENBURN
- The Glenburn Parks & Rec is pleased to say we are currently constructing a permanent home for the ice rink that was purchased in 2023. This new location will have outdoor lighting, eventually some nice sheltered benches, a more level surface which will allow us to create better ice, that should last longer giving you more opportunities to enjoy the great winter sport of ice skating with your friends & family.
- This is a public park place, and open for all to enjoy.
- We will have a grand opening when it's completely installed and ready for use
- keep watch on FB, GO Glenburn app and [glenburn.org](http://glenburn.org) for more information as it becomes available
- Thank you to Mr. Jordan McLaughlin for anchoring the project.
- If you would like to get involved by donating or volunteering to help maintain the rink, please contact our Rec Director Carey Besse at [recdirector@glenburn.net](mailto:recdirector@glenburn.net) or Mr. McLaughlin at [code@glenburn.net](mailto:code@glenburn.net)
